Flexible day care and traditional nursery school for children aged 1-3, from 7.30am – 7pm, 51 weeks a year.

Northcote House is a 70 place day nursery based just off the Northcote Road, SW11. We provide flexible daycare and nursery school for children aged from one to three years.

About us

The nursery is owned and run by Laura Digby-Bell and her daughter Anna Wakeham. Laura has 25 years' experience working and running nursery schools. Laura and Anna believe in providing to the best of their ability home from home childcare. With lovely facilities, delicious food and

“We offer a cheerful environment and a variety of activities for children to have fun, make friends and enjoy learning through play.”

friendly staff, they want the children to be given every opportunity to learn and be looked after in a warm and happy environment.

The Nursery Landing (1 to 2 years)

The nursery takes 27 babies aged one to two years in our well designed space. The children are accommodated in two rooms of twelve children called the Bunnies and the Penguins. Each room is managed by a qualified

Room Leader. They are supported by three other staff in each room. This makes up a legal staff ratio of one adult to three children for under 2's. The nursery landing is also managed by our nursery landing manager who is counted outside of the ratio in order to provide extra support to our staff and parents.

The Woodland Room (2 to 3 years)

The nursery can also take up to 32 two to three year olds in our main room, known as the Woodland Room. Leading off this space is a garden measuring approximately 800 sq feet. At certain times of day the children use the space in 'free flow' meaning that they have access to inside and outside at the same time and all the activities and toys that both spaces have to offer.

Activities on a normal day at nursery may include painting, colouring, sticking, role play, building, home corner, messy play and of course plenty of time in the garden (weather permitting). We also make regular trips to Wandsworth Common at the end of our road.
